## “MEMORY TILES”

Celebrate your role in Gateway Center’s future by sponsoring one or more “Memory Tiles.” Each tile is an original one-of-a-kind hand painted ceramic tile by local artist, Mary Lou Cortright. The theme is a seascape of the Monterey Bay. The color palate will be similar to the colors selected for our new ICF (Intermediate Care Facility) wing, and for future construction and renovation planned at Gateway.

The tiles will be a permanent tribute to a loved one, favorite staff member, volunteer, or Board Member (past/present). They will be displayed as beautiful pieces of original artwork on the interior walls of Gateway Center (850 Congress Avenue, Pacific Grove).

Proceeds from Memory Tiles will support our new “Capital Campaign,” with a goal of raising \$500,000 over the next two years. Your tax deductible suggested minimum donation will symbolize your enduring support of Gateway Center for many decades and generations to come!
